ABOUT

I am an experienced sales manager willing to change a field of work and seeking a full-time position in the field of web development, where I can apply my knowledge and skills that I have learned both offline and online.

- Thai Programmer Association - Code Camp 4
- Udemy - The Complete Web Developer in 2020: Zero to Mastery

WORK EXPERIENCE

SALES MANAGER
Professional Waste Technology (1999) PCL. | Aug 2017 - Oct 2019

- Managed one of the four main sales teams.
- Offered excellent customer services to differentiate and promote the company brand.
- Improved and maintained operational and profit objectives exceeding 2,000,000THB in sales monthly.
- Mentored and trained new team members

CUSTOMER RELATIONSHIP COORDINATOR
Agility (Thailand) Co., Ltd. | Dec 2016 - Jun 2017

- Worked as an outsource shipping officer for a Swiss-Swedish multinational corporation, ABB.
- Handled incoming shipments and coordinated with 7 main ABB vendors by using Microsoft Office, SAP and other softwares.
- Studied ABB products, such as transformers and relays in order to do the customs clearance.
